

Terms & Conditions

This website <https://www.desi-paradesi-diaspora.net> is a secure site as shown by its '<https://www>.' nomenclature. All major browsers use SSL to protect transactions. Here, one can browse, read, listen, watch, entertain oneself, and shop for downloading the items selected.

The Digital Millennium Copyright Act (DMCA) applies to all digital products downloaded.

When a customer buy a digital product, such as ebook, anthology items/assortments, music score sheet, music lyrics etc, the file is automatically delivered to your customer as soon as the payment received.

- **Immediate Payment:** As soon as an online payment (e.g. credit card or PayPal payment) is received, a confirmation email is sent to the customer with a download link. The link also appears on the 'Thank You page'.
- **Delayed Payment:** When a customer places an order in which payment does not arrive immediately (e.g. offline payment or check), a link is **not** sent in the email sent to confirm the order. Only after the receipt of payment and [manually mark the order as Paid](#) is an email sent to the customer with a download link.
- **How long is the link good for?**

The download link is available for 30 days. After that, it will no longer work. However, it can be resent on request. This website is not directly involved in any payment transactions with the customers. All payment transactions are conducted by reputed, recognized and reliable third party processing companies, which operate on a global scale and scope by handling multiple payment methods. Taxation regulations for digital goods vary by location and it is applied accordingly.

- **Payment transactions**

All payment transactions are handled by reputed, recognized, reliable payment processing companies who operate on a global scale and scope facilitating many types of transactions.

- **Privacy Policy**

- This website collects no personal or payment details.

The standard information collected from the customers as shown on the 'CHECKOUT' page are for the sole purposes of processing orders by the transaction processing entities and an enabling company to send the download link related to the checked out digital product to the customers.
